Product Statement

40V Max / 18V 23L Dual Zone Cooler & Warmer

Keep food and beverages at the ideal temperature wherever you go with the CW006GZ 23L Cooler & Warmer. Delivering up to 70 hours of cooling runtime at 5°C, it provides dependable temperature-controlled storage for extended periods. The dual compartment operation with independent temperature control offers the flexibility to store different items at their ideal temperatures simultaneously, while compatibility with XGT, LXT, 12V/24V DC and AC power sources ensures reliable performance across a wide range of work, travel and outdoor environments.
