

DUN461WZ
18V Pole Hedge
Trimmer 460mm

Product Statement

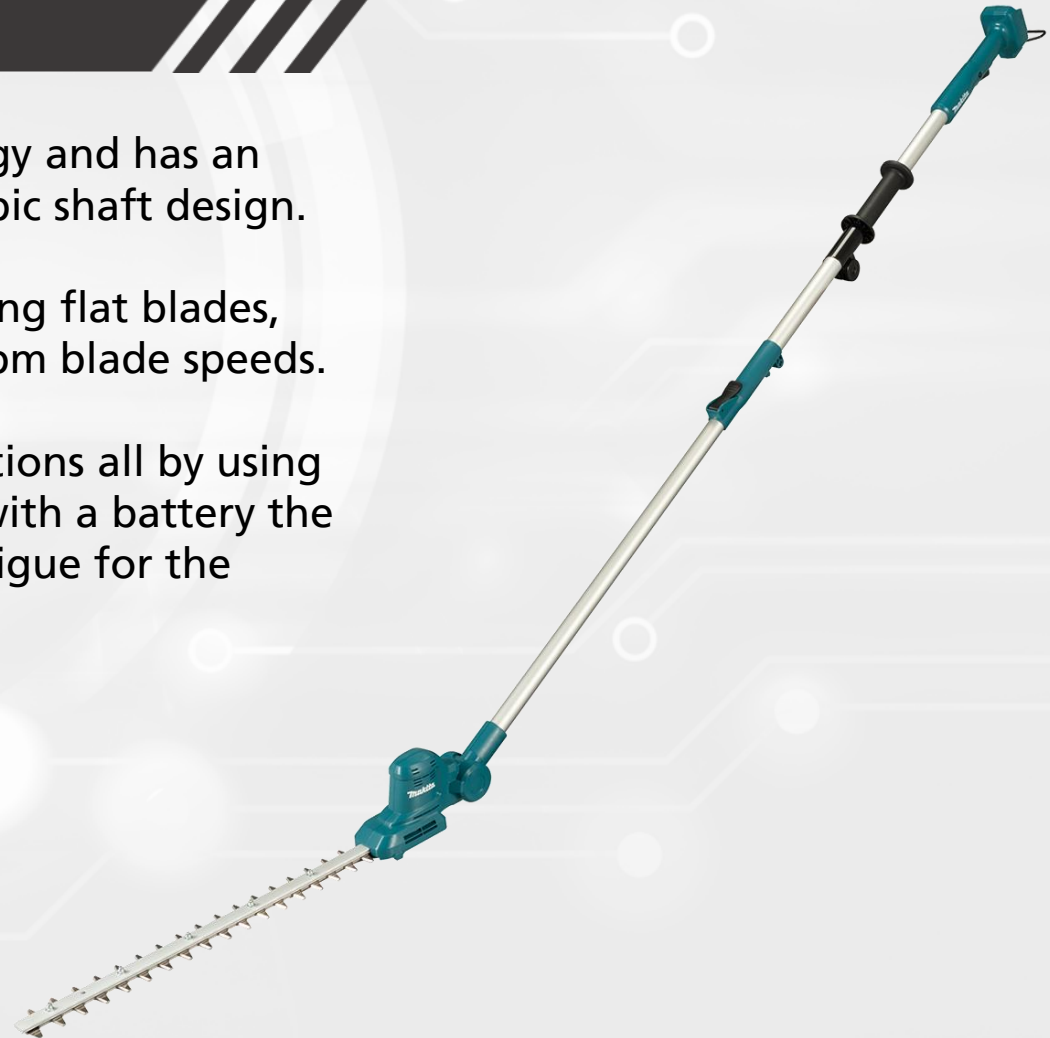

18V Pole Hedge Trimmer 460mm

The DUN461W is powered by Makita's 18V LXT technology and has an overall length of 2.5m thanks to its quick release telescopic shaft design.

Featuring a 460mm blade length with double reciprocating flat blades, the DUN461W provides a clean, efficient cut with 3,600spm blade speeds.

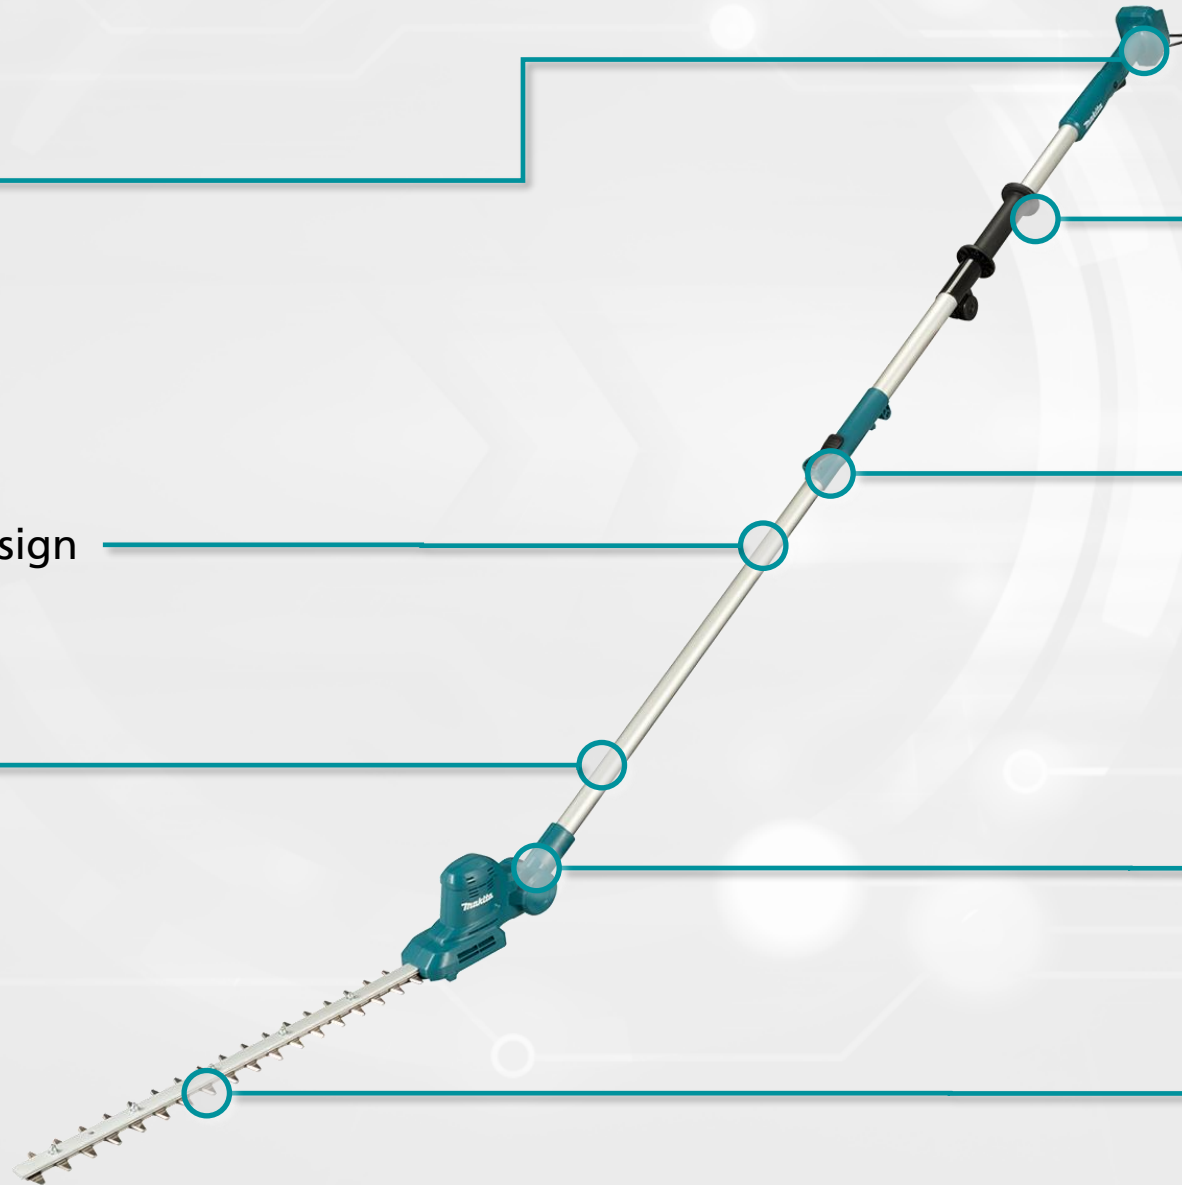

The adjustable head can be locked into 10 different positions all by using the convenient angle adjustment. Weighing only 3.7kg with a battery the DUN461W will provide maximum reach with minimal fatigue for the toughest tasks.

Product Specifications

DUN461W

Max. branch diameter	18mm
Blade length	460mm
Strokes per minute	3,600spm
Noise	91dB
Overall length	Min: 1,840mm Max: 2,500mm
Skin weight	3.1kg
Weight (with battery)	3.7kg
Voltage	18V

- **XPT** – provides increased resistance to moisture and dripping water for use in harsh outdoor environments
- **Telescopic Shaft Design** – measuring up to 2.5m in length to provide maximum reach for high application
- **Long Runtimes** – allowing the maximum amount of work to be completed achieving 120 minutes runtime on a 6.0Ah battery
- **Lightweight Design** – allows for long periods of use with minimal user fatigue weighing on 3.7kg with a battery
- **10 Adjustable Blade Positions** – blade angle can be adjusted in 15° increments from 65° tilting up to 75° down from horizontal
- **Max Cutting Length of 460mm** – allows for large scale hedges and bushes to be trimmed without having to hold the trimmer at an uncomfortable angle

Advantages

POWER

POWERFUL MOTOR THAT CUTS BRANCHES UP TO 18MM

COMFORT

ERGONOMIC CUSTOMISATION WITH A TELESCOPIC SHAFT AND 10 POSITION ADJUSTABLE BLADE ANGLE FOR ENHANCED COMFORT

RUNTIME

WITH A 6.0AH BATTERY THE RUNTIME CAN ACHIEVE UP TO 120 MINUTES

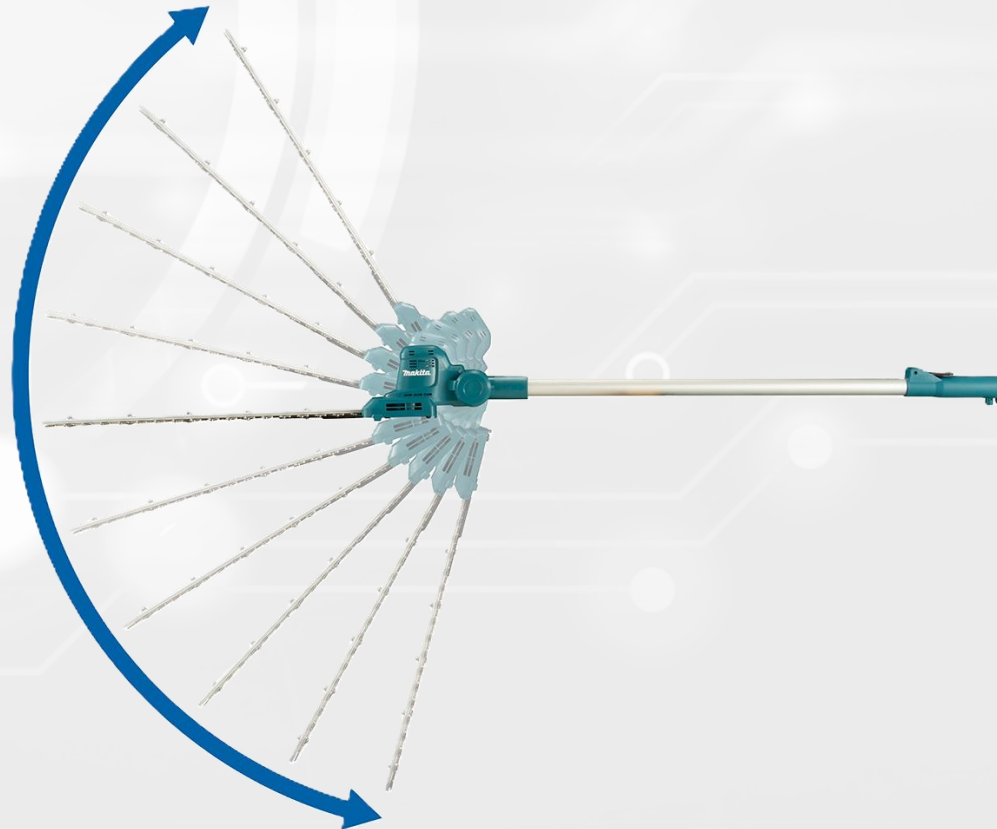

Advantages

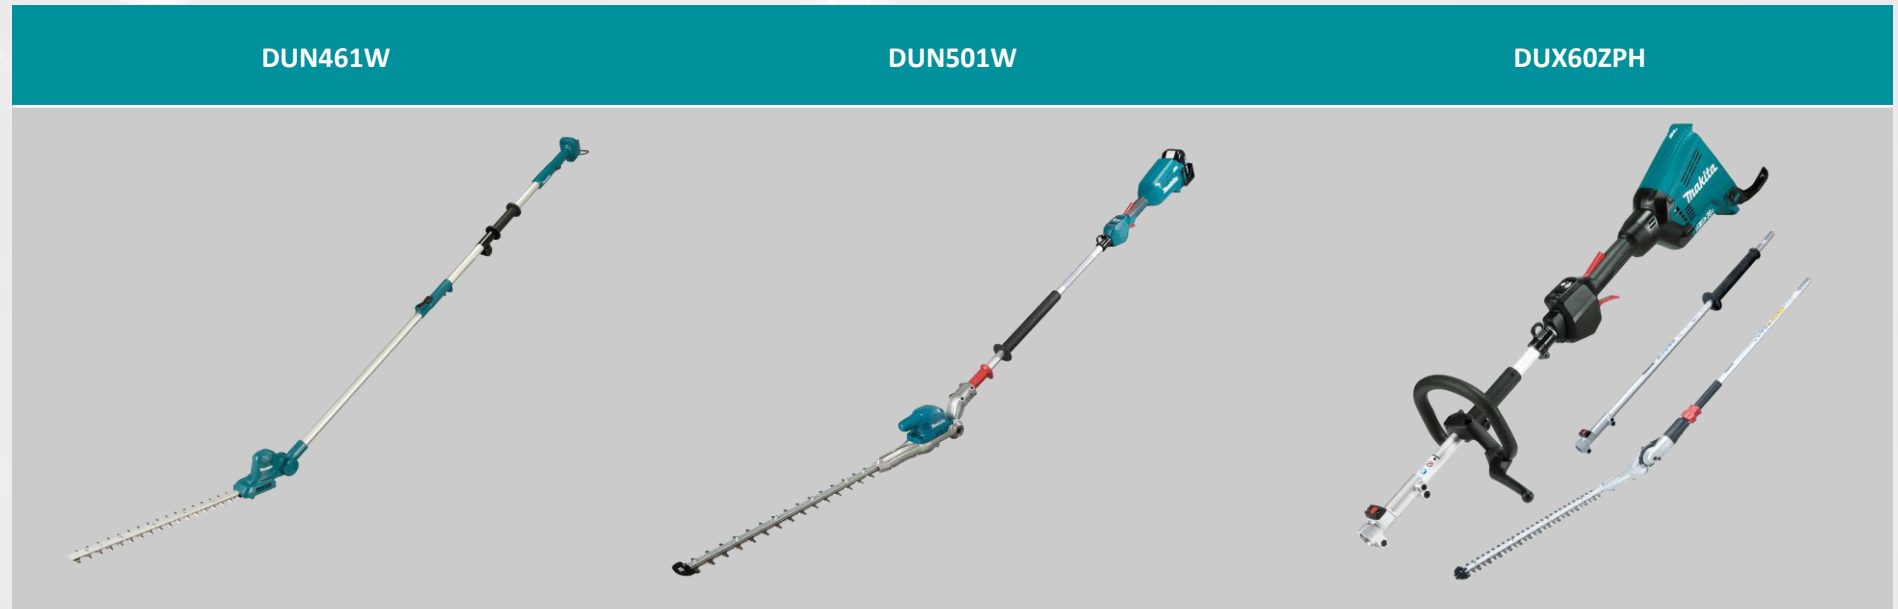

Adjustable Blade Position

The DUN461 features 10-blade locking positions to allow for maximum convenience and control when working at a variety of heights making it perfect for gardeners and commercial end users who work with variety of different jobs.

135° Range of Adjustment
