18V Brushless Multi-Function Powerhead

DUX18

BRUSHLESS

WHEN POWER MEANS BUSINESS

When you choose Makita Outdoor Power Equipment, you choose to be part of something bigger. Our complete line up of cordless outdoor solutions will revolutionise the way you work - empowering you with over a century of knowledge and expertise in crafting the world's most reliable tools. With the support of the world's largest 18V cordless system, you can be sure our Power Garden range will get the job done and more - no petrol or cord needed.

Product Statement

DUX18 provides the versatility and convenience to take on any task in your yard. From Line Trimmers to Hedge Trimmers to Blowers the DUX18 is compatible with up to 11 attachments that provide the power and performance for any task.

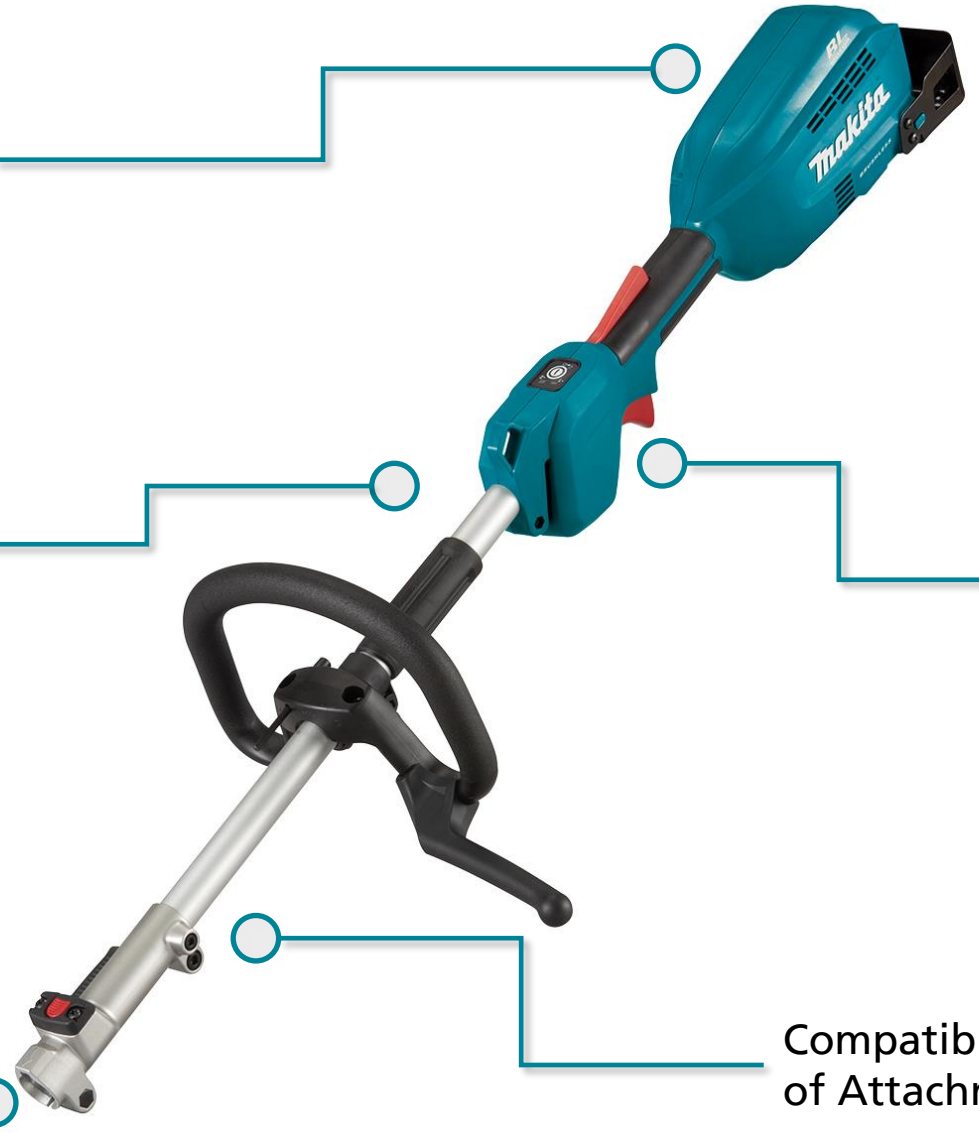

The lever lock system allows for quick toolless installation and replacement of attachments meaning time between jobs is reduced allowing more work to be completed.

Featuring 2 stage speed control, the user has the ability to match the right speed to the job at hand. The Extreme Protection Technology prevents water and dust getting into the tools key components allowing it to be used in the majority of conditions.
